The Corbett School District's leadership and school board has failed to provide any plan of how they will spend our money after they get it.

For the past 20 years Corbett has had a local student population of 600 to 700 students.

Corbett Students	O.E.	CAPS
------------------	------	------

O.E. = Open Enrollment (Was Charter) now Out of District and/or STEM
 CAPS = Springdale (Allowed 268 students & staff in total)

Corbett can now have 1,730 students and staff through a conditional use application approved 11/2013.

"The design, and even the location, and all that, will be decided after the bond ... details will come later."

* CSD APPLIED FOR AND RECEIVED A POPULATION INCREASE FROM MULTNOMAH COUNTY IN NOVEMBER 2013.

* CSD PROVIDED NO OPPORTUNITY FOR INPUT FROM THE SCHOOL BOARD OR THE COMMUNITY ABOUT THIS APPLICATION.

* CSD'S APPLICATION SPECIFICALLY LISTS THAT IF BUILDINGS WERE IMPROVED OR CLASSROOMS ADDED, THAT THE PROCESS WOULD NEED TO BE REVISITED. (LEAVING THE DOOR OPEN TO POSSIBLY EVEN MORE STUDENTS.)

* IF CSD TRULY DOES NOT INTEND TO ADD MORE KIDS (AS THE SUPERINTENDENT HAS STATED) THEN THEY SHOULD CAP THE NUMBER OF STUDENTS THAT CAN ATTEND OUR DISTRICT, WHICH THEY HAVE BEEN REPEATEDLY ASKED TO DO.

FOR 2014/15 CSD OPEN ENROLLED 476 STUDENTS, OVER THE 840+ STUDENTS ALREADY ATTENDING. CSD HAS ALSO APPLIED FOR A NEW STEM SCHOOL.

"Five years ago, when I was the principal, Corbett was host to around 170 inter-district transfer students. Some of those students had been "Corbett Kids" for many years." – Randy Trani April 2013
